

# CREATE AN ORIGAMI BEAR

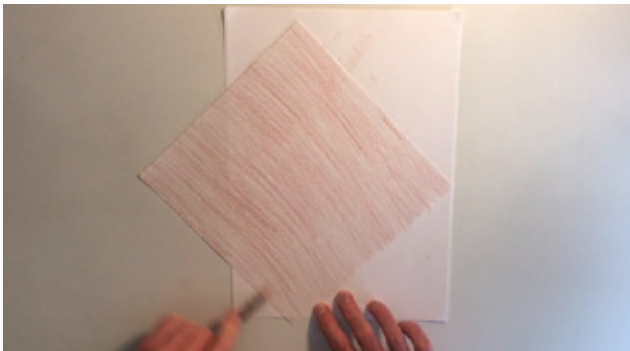

Here's what we'll be making.

## What you need:

- One square sheet of white paper. (Plus one extra scrap sheet.)
- Crayons: Brown, Red, Black
- One black marker

## Step 1:

Colour one entire side of the page brown.

## Step 2:

Flip the page and fold the top tip to meet the bottom tip.

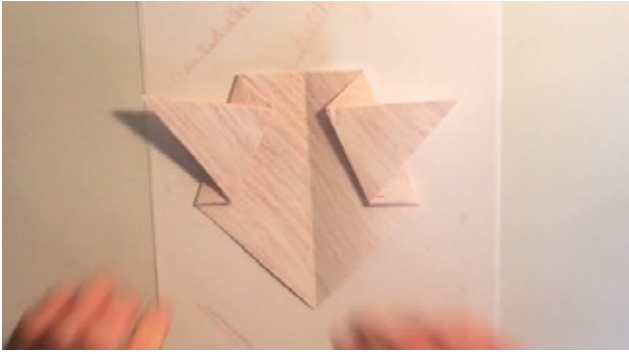

## Step 3:

Fold the paper in half. Crease and unfold.

## Step 4:

Fold both the tips in towards each other.

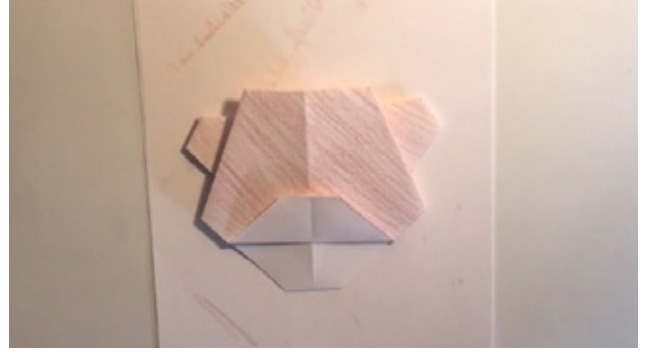

**Step 5:**  
Fold both the tips outwards.

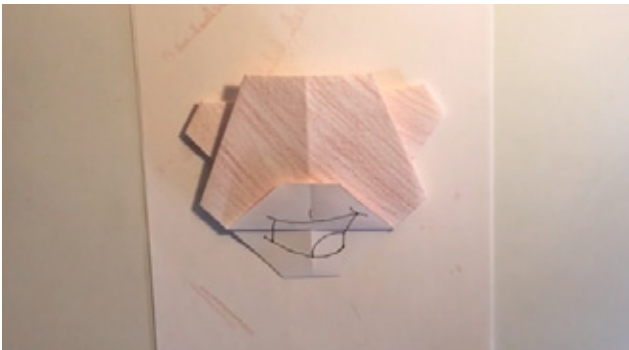

**Step 6:**  
Fold the edge of the tips back slightly and the bottom tip up slightly.

**Step 7:**  
Flip the page over and fold the bottom tip up slightly.

**Step 8:**  
Make one last large fold at the bottom.

**Step 9 (Time to draw the face!):**  
With the black marker draw the mouth and tongue spread over the fold.

**Step 10:**  
Use the black and red crayons to colour in the mouth and the black marker to draw and colour the nose.

**Step 11:**  
With the black marker draw and colour the eyes and eyebrows.

**Step 12:**  
Finally, sticking with the black marker, colour the ears. **You did it!**
